We can cater for all standards of skier and snowboarders – from those who have never skied before to advanced skiers.

### **Youth, Sport and Adventure Groups**

What better activity is there for youths and those seeking outdoor adventure? Besides learning a skill that may prove useful into the future, it makes a great day out with a lot of satisfaction achieved from a good work out on the slopes. Many youth groups such as Scouts, Girl guides, Sea scouts and for the last few seasons both camogie teams and Meet up groups have visited us to learn a new skill and have an awesome time on the slopes. They come to Kiltarnan and all testify to having enjoyed the challenge and had a great experience learning how to ski or snowboard.

What to bring on the day:

Warm, flexible clothing that does not restrict movement.

Strong Gloves (ideally padded ski gloves).

Long, thick socks.

Long sleeved top.

Wet weather gear as classes will still proceed if it rains.

The lesson will be for an hour and a half and therefore it is advisable to arrive at least 30 minutes before your lesson begins and if you are a very large group then it would be very helpful to fill out the following forms: Ski Club of Ireland Indemnity/Disclaimer which can be download [here](#).

All equipment is included in the price.
